ACCESS MARKET

Get Market for your farm produce

To ensure that farmers access the right information & practice the best farming practices, we partner with experts & farms around the world to train, organize tours and provide market to farmers produce.

Mushroom Kenya is a registered farm based in Ngong, 26km Southwest of Nairobi dealing in mushroom farming and techniques.

At our farm, we deal with button, Oyster and medicinal mushrooms.

We also help other farmers get started through consultancy, mentorship, information exchange and provision of access to market.
